

## Audio Basics & Crystal Cable

Benjamin Scarcelli n'a pas lésiné sur les moyens cette année, un staff omniprésent aux 4 coins de la pièce, la présentation du catalogue complet des disques audiophiles distribués par Audio Basics se partageait la vedette avec l'ensemble de la gamme des câbles Crystal, d'origine des Pays Bas.

J'ai eu l'immense joie de rencontrer Ms. Gabi van der Kley, President and CEO de Crystal Cable et son époux Edwin van der Kley (manager de Siltech cable), Benjamin Scarcelli manager de Audio Basics (au centre).

**Benjamin, would it be possible to have a few words from your experience at the Montreal FSI show this year?**

Having the room all to ourselves this year proved to be a very successful show, far more than last year. It's always nice to connect with people we know face to face while having fun at the same time.

We have had considerable traffic of people come to our room with an opportunity to hear their views about the show, and why they enjoyed visiting our room.

I wish to thank the companies who have given their support:

1. Crystal Cable
2. Siltech Cables

Other Companies who have supported us with their equipment:

1. Simaudio
2. Dynaudio
3. Tri-Cell Enterprises

Best Regards,

Benjamin Scarcelli
